## **SAFETY DATA SHEET**

Revision Date: 08/09/24

		ntification	
PRODUCT AND COMP	PANY INFORMATION		
Product Name:	Poly(vinylbenzyl chloride)	Molecular Formula:	(C₃H₃Cl)x
Catalog Number(s):	311, 843		
Company:	Scientific Polymer Products, Inc 6265 Dean Parkway Ontario, NY 14519	2	
Telephone: Fax: Website:	585/265-0413 585/265-1390 www.scipoly.com		
Emergency Phone Nu	mber: 800-255-3924 (CHEM TEL)		
	Section 2: Hazards	dentification	
Classification of the su	ubstance or mixture		
GHS Classification in a	accordance with 29 CFR 1910 (OSHA H	CS)	
Skin irritation, Categor	ry 2, H315		
Eye irritation, Categor	y 2A, H319		
Specific target organ t	oxicity-single exposure, Category 3, Re	spiratory system, H335	
GHS Label elements, i	ncluding precautionary statements		
Pictogram	$\wedge$		
	<u> </u>		
	$\mathbf{v}$		
Signal word	Warning		
0

Dispose of contents/ container to an approved waste disposal plant.

## Hazards not otherwise classified (HNOC) or not covered by GHS – none

To the best of our knowledge, the toxicological properties of this chemical have not been thoroughly investigated. Use appropriate procedures and precautions to prevent or minimize exposure.

## Section 3: Composition/Information on Ingredients

Ingredient	CAS Number	Concentration (%)
Poly(vinylbenzyl chloride)	121961-20-4	100

## Section 4: First Aid Measures

#### **Description of first aid measures**

#### **General advice**

Consult a physician. Show this safety data sheet to the doctor in attendance. Move out of dangerous area

#### If inhaled

If breathed in, move person into fresh. If not breathing, give artificial respiration. Consult a physician

#### In case of skin contact

Wash off with soap and plenty of water. Consult a physician

## In case of eye contact

Rinse thoroughly with plenty of water for at least 15 minutes and consult a physician

#### If swallowed

Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician

#### Most important symptoms and effects, both acute and delayed

The most important known symptoms and effects are described in the labelling (see section 2) and/or in section 11

#### Indication of any immediate medical attention and special treatment needed No data available

## Section 5: Fire-Fighting Measures

#### **Extinguishing media**

## Suitable extinguishing media

Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

## Special hazards arising from the substance or mixture

Carbon oxides, Hydrogen chloride gas

## Advice for firefighters

Wear self-contained breathing apparatus for firefighting if necessary.

## **Further information**

No data available

## Section 6: Accidental Release Measures

## Personal precautions, protective equipment and emergency procedures

Use personal protective equipment. Avoid dust formation. Avoid breathing vapors, mist or gas. Ensure adequate ventilation. Evacuate personnel to safe areas. Avoid breathing dust. For personal protection see section 8.

#### Methods and materials for containment and cleaning up

Pick up and arrange disposal without creating dust. Sweep up and shovel. Keep in suitable, closed containers for disposal

## **Reference to other sections**

For disposal see section 13.

## Section 7: Handling and Storage

#### Precautions for safe handling

Avoid contact with skin and eyes. Avoid formation of dust and aerosols. Provide appropriate exhaust ventilation at places where dust is formed. Normal measures for preventive fire protection. For precautions see section 2

## Conditions for safe storage, including any incompatibilities

Store in a tightly closed container in a dry well-ventilated place. Keep away from heat and sources of ignition. Keep away from food, drink, and animal feeding stuffs. Keep container tightly closed in a dry and well ventilated place.

## Specific end use(s)

Laboratory chemicals, Manufacture of substances

## Section 8: Exposure Controls/Personal Protection

#### **Control parameters**

#### Components with workplace control parameters

Contains no substances with occupational exposure limit values.

#### **Exposure controls**

## Appropriate engineering controls

Handle in accordance with good industrial hygiene and safety practice. Wash hands before breaks and at the end of workday.

## Personal protective equipment

#### Eye/face protection

Safety glasses with side shields conforming to EN166. Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU).

#### Skin protection

Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose of contaminated gloves after use in accordance with applicable laws and good laboratory practices. Wash and dry hands.

#### **Body Protection**

Impervious clothing. The type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.

#### **Respiratory protection**

For nuisance exposures use type P95 (US) or type P1 (EU EN 143) particle respirator. For higher level protection use type OV/AG/P99 (US) or type ABEK-P2 (EU EN 143 respirator cartridges. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).

## Control of environmental exposure

Do not let product enter drains

## Information on basic physical and chemical properties

a) b) c) d) e) f) g) h) i) j) k) l)	Appearance Odor Odor Threshold pH Melting point/freezing point Initial boiling point and boiling range Flash point Evaporation rate Flammability (solid, gas) Upper/lower flammability or explosive limits Vapor pressure Vapor density	Form: White to off white powder Odorless No data available No data available
m)	Relative density	No data available
n)	Water solubility	Insoluble
o)	Partition coefficient: n- octanol/water	No data available
p)	Auto-ignition temperature	No data available
q)	Decomposition temperature	No data available
r)	Viscosity	No data available
s)	Explosive properties	No data available
t)	Oxidizing properties	No data available

## Other safety information

No data available

## Section 10: Stability and Reactivity

## Reactivity

No data available

#### **Chemical stability**

Stable under recommended storage conditions.

#### **Possibility of hazardous reactions** No data available

**Conditions to avoid** No data available

**Incompatible materials** Strong oxidizing agents

## Hazardous decomposition products

Other decomposition products - No data available In the event of fire: see section 5

**Section 11: Toxicological Information** 

## Information on toxicological effects

Acute toxicity No data available

Dermal: No data available

Skin corrosion/irritation No data available

#### Serious eye damage/eye irritation No data available

**Respiratory or skin sensitization** No data available

## Germ cell mutagenicity

No data available

## Carcinogenicity

- IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.
- ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.
- NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.
- OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

#### **Reproductive toxicity**

No data available

**Specific target organ toxicity - single exposure** Inhalation- May cause respiratory irritation

Specific target organ toxicity - repeated exposure No data available

## Aspiration hazard

No data available

## Additional Information

RTECS: Not available

To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated

## Section 12: Ecological Information

**Toxicity** No data available

Persistence and degradability No data available

**Bioaccumulative potential** No data available

Mobility in soil No data available

**Results of PBT and vPvB assessment** PBT/vPvB assessment not available as chemical safety assessment not required/not conducted

**Other adverse effects** No data available

#### Waste treatment methods

#### Product

Offer surplus and non-recyclable solutions to a licensed disposal company. Contact a licensed professional waste disposal service to dispose of this material

#### Contaminated packaging

Dispose of as unused product.

**Section 14: Transport Information** 

## DOT (US)

Not dangerous goods

## IMDG

Not dangerous goods

#### ΙΑΤΑ

Not dangerous goods

## Section 15: Regulatory Information

#### SARA 302 Components

No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

## SARA 313 Components

This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

#### SARA 311/312 Hazards

Acute Health Hazard

#### Massachusetts Right to Know Components

No components are subject to the Massachusetts Right to Know Act

## Pennsylvania Right to Know Components

Poly(vinylbenzyl chloride)

CAS-No. 121961-20-4

121961-20-4

CAS-No.

## **New Jersey Right to Know Components**

Poly(vinylbenzyl chloride)

## **California Prop. 65 Components**

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

Section 16: Other Information					
HMIS Rating		NFPA Rating			
Health:	2	Health:	2		
Flammability:	0	Flammability:	0		
Reactivity:	0	Reactivity:	0		

This material is intended for laboratory use only. It is not sold or intended for drug, household or other uses. The information represents the most accurate and complete data currently available to us. However, we make no warranty, express or implied, with respect to such information, and we assume no liability resulting from its use.
