SAFETY DATA SHEET

Revision Date: 08/14/24

Section 1: Identification

PRODUCT AND COMPANY INFORMATION

| Product Name: | Acetyl tri-n-butyl citrate | Molecular Formula: | $C_{20}H_{34}O_8$ |
|--------------------------------|---|--------------------|-------------------|
| Catalog Number(s): | P-107 | | |
| Company: | Scientific Polymer Products, Inc. 6265 Dean Parkway Ontario, NY 14519 | | |
| Telephone: Fax: Website: | 585/265-0413 585/265-1390 www.scipoly.com | | |

Emergency Phone Number: 800-255-3924 (CHEM TEL)

Section 2: Hazards Identification

Classification of the substance or mixture

Not a hazardous substance or mixture.

GHS Label elements, including precautionary statements

Not a hazardous substance or mixture.

Hazards not otherwise classified (HNOC) or not covered by GHS – none

To the best of our knowledge, the toxicological properties of this chemical have not been thoroughly investigated. Use appropriate procedures and precautions to prevent or minimize exposure.

Section 3: Composition/Information on Ingredients

| Ingredient | CAS Number | Concentration (%) |
|----------------------------|------------|-------------------|
| Acetyl tri-n-butyl citrate | 77-90-7 | 100 |

Section 4: First Aid Measures

Description of first aid measures

If inhaled

If breathed in, move person into fresh air. If not breathing, give artificial respiration.

In case of skin contact

Wash off with soap and plenty of water.

In case of eye contact

Rinse thoroughly with plenty of water for at least 15 minutes.

If swallowed

Never give anything by mouth to an unconscious person. Rinse mouth with water.

Most important symptoms and effects, both acute and delayed

The most important known symptoms and effects are described in the labelling (see section 2) and/or in section 11

Indication of any immediate medical attention and special treatment needed

No data available

Section 5: Fire-Fighting Measures

Suitable extinguishing media

Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.

Special hazards arising from the substance or mixture Carbon oxides

Advice for firefighters

Wear self-contained breathing apparatus for firefighting if necessary.

Further information

No data available

Section 6: Accidental Release Measures

Personal precautions, protective equipment and emergency procedures

Use personal protective equipment. Avoid breathing vapors, mist or gas. Ensure adequate ventilation. For personal protection see section 8.

Environmental precautions

Do not let product enter drains.

Methods and materials for containment and cleaning up

Soak up with inert absorbent material and dispose of as hazardous waste. Keep in suitable, closed containers for disposal.

Reference to other sections

For disposal see section 13.

Section 7: Handling and Storage

Precautions for safe handling

Avoid contact with skin and eyes. Avoid inhalation of vapor and mist. For precautions see section 2.

Conditions for safe storage, including any incompatibilities

Keep container tightly closed in a dry and well ventilated place. Containers which are opened must be carefully resealed and kept upright to prevent leakage.

Moisture sensitive.

Specific end use(s)

Laboratory chemicals, Manufacture of substances

Section 8: Exposure Controls/Personal Protection

Control parameters

Components with workplace control parameters

Contains no substances with occupational exposure limit values.

Exposure controls

Appropriate engineering controls General industrial hygiene practice.

Personal protective equipment

Eye/face protection

Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU).

Skin protection

Handle with gloves. Gloves must be inspected prior to use. Use proper glove removal technique (without touching glove's outer surface) to avoid skin contact with this product. Dispose of contaminated gloves after use in accordance with applicable laws and good laboratory practices. Wash and dry hands.

Body Protection

Choose body protection in relation to its type, to the concentration and amount of dangerous substances, and to the specific work-place. The type of protective equipment must be selected according to the concentration and amount of the dangerous substance at the specific workplace.

Respiratory protection

Respiratory protection is not required. Where protection from nuisance levels of dusts are desired, use type N95 (US) or type P1 (EN 143) dust masks. Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU).

Control of environmental exposure

No special environmental precautions required.

Section 9: Physical and Chemical Properties

Information on basic physical and chemical properties

| a) b) c) d) e) f) g) h) i) j) k) l) m) | Appearance Odor Odor Threshold pH Melting point/freezing point Initial boiling point and boiling range Flash point Evaporation rate Flammability (solid, gas) Upper/lower flammability or explosive limits Vapor pressure Vapor density Relative density | Form: liquid Slight, sweet No data available No data available No data available 217°C (423°F) closed cup No data available No data available No data available No data available No data available |
|--|---|---|
| m) n) | Relative density Water solubility | No data available Negligible |
| o) | Partition coefficient: n- octanol/water | No data available |
| p) | Auto-ignition temperature | No data available |
| q) | Decomposition temperature | No data available |
| r) | Viscosity | No data available |
| s) | Explosive properties | No data available |
| t) | Oxidizing properties | No data available |

Other safety information

No data available

Section 10: Stability and Reactivity

Reactivity

No data available

Chemical stability

Stable under recommended storage conditions.

Possibility of hazardous reactions No data available

Conditions to avoid Avoid moisture

Incompatible materials Strong oxidizing agents

Hazardous decomposition products

Other decomposition products - No data available In the event of fire: see section 5

Section 11: Toxicological Information

Information on toxicological effects

Acute toxicity

LD50 Oral – Rat - > 3,150 mg/Kg

Inhalation: No data available

Dermal: No data available

LD50 Intraperitoneal – Mouse - > 4,000 mg/Kg

Skin corrosion/irritation Skin – Rabbit Result: No skin irritation

Serious eye damage/eye irritation Eyes – Rabbit Result: Mild eye irritation

Respiratory or skin sensitization No data available

Germ cell mutagenicity

Ames test S. typhimurium Result: negative Rat – male and female Result: negative

Carcinogenicity

- IARC: No component of this product present at levels greater than or equal to 0.1% is identified as probable, possible or confirmed human carcinogen by IARC.
- ACGIH: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by ACGIH.
- NTP: No component of this product present at levels greater than or equal to 0.1% is identified as a known or anticipated carcinogen by NTP.
- OSHA: No component of this product present at levels greater than or equal to 0.1% is identified as a carcinogen or potential carcinogen by OSHA.

Reproductive toxicity

No data available

Specific target organ toxicity - single exposure No data available

Specific target organ toxicity - repeated exposure No data available

Aspiration hazard No data available To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated.

| Section 12: Ecological Information | | | |
|--|---|--|--|
| Toxicity Toxicity to fish | flow through test LC50 – Lepomis macrochirus – 38 – 60 mg/l – 96 h (OECD Test Guideline 203) | | |
| Toxicity to daphnia and other aquatic invertebrates | Immobilization EC50 – Daphnia magna (Water flea) - > 1 mg/l – 24 h (OECD Test Guideline 202) | | |
| Toxicity to algae | Growth inhibition EC50 – Desmodesmus subspicatus (green algae) – 11.5 mg/l – 72 h (OECD Test Guideline 201) | | |
| Persistence and degradability Biodegradability | aerobic – Exposure time 28 d Result: 16% - Not readily biodegradable (OECD Test Guideline 301D) | | |
| Bioaccumulative potential No data available | | | |
| Mobility in soil No data available | | | |
| Results of PBT and vPvB assessment PBT/vPvB assessment not available as chemical safety assessment not required/not conducted | | | |
| Other adverse effects No data available | | | |
| Section 13: Disposal Considerations | | | |
| Waste treatment methods | | | |
| Product Offer surplus and non-recyclable solutions to a licensed disposal company. | | | |
| Contaminated packaging Dispose of as unused product. | | | |
| Section 14: Transport Information | | | |
| | | | |

DOT (US) Not dangerous goods

IMDG

Not dangerous goods

IATA

Not dangerous goods

SARA 302 Components

No chemicals in this material are subject to the reporting requirements of SARA Title III, Section 302.

SARA 313 Components

This material does not contain any chemical components with known CAS numbers that exceed the threshold (De Minimis) reporting levels established by SARA Title III, Section 313.

SARA 311/312 Hazards

No SARA Hazards

Massachusetts Right to Know Components

No components are subject to the Massachusetts Right to Know Act.

| Pennsylvania Right to Know Components | |
|---------------------------------------|--------------------|
| Acetyl tri-n-butyl citrate | CAS-No. 77-90-7 |
| New Jersey Right to Know Components | CAS-No. |
| Acetyl tri-n-butyl citrate | 77-90-7 |

California Prop. 65 Components

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

| Section 16: Other Information | | | | |
|-------------------------------|--------|-------------------------------|--------|--|
| HMIS Rating Health: | 0 | NFPA Rating Health: | 0 | |
| Flammability: Reactivity: | 1 0 | Flammability: Reactivity: | 1 0 | |

This material is intended for laboratory use only. It is not sold or intended for drug, household or other uses. The information represents the most accurate and complete data currently available to us. However, we make no warranty, express or implied, with respect to such information, and we assume no liability resulting from its use.
